BUYING A CAR IS QUICK AND EASY

Metro Direct lets you choose your vehicle and finance with Metro in one easy step

Did you know that you can finance your next vehicle at Columbus Metro ... without leaving the dealer's showroom? You can with Metro Direct!

Columbus Metro has partnered with nearly 50 area dealerships to streamline the purchase process. Because of the relationships we've established, the paperwork moves smoothly between the dealership and the credit union, so all you have to do is sign and drive away.

Metro Direct participating dealers offer new and used vehicles in a wide variety of foreign and domestic makes and models. When you shop at a Metro Direct dealer, you simply choose your vehicle and let the dealer know you want to finance with Columbus Metro. They arrange for the financing, and you can sign your loan documents on the spot. It's that easy!

For a list of participating dealers, visit www.columbusmetro.org/metrodirect.html.
