

INSTRUCTIONS FOR INCOMING INTERNATIONAL WIRES

Instructions for wiring funds from a financial institution outside the United States to Columbus Metro. (If funds are being sent by an institution within the U.S., refer to the Instructions For Incoming Domestic Wires.)

Directions

Provide the following wiring instructions to the financial institution initiating the wire.

1. The international bank will need to send funds to their U.S. bank for rate of exchange.
2. The U.S. bank will then forward the money to Columbus Metro using the following instructions:

a. **WIRE TO:** Corporate One Credit Union
ABA #244084264

b. **CREDIT TO:** Columbus Metro Federal Credit Union
ACCT #244077226

c. **FINAL CREDIT TO:** _____ Member Name
_____ Member's Account Number with Suffix
