## You Deserve More

At Columbus Metro, we'll help you make the most of what you have, no matter where you are in life. We've been serving the unique financial needs of our members and their families since 1951. We strive to provide you with high-quality products and services, convenient access to your accounts and friendly, professional service.

## The Credit Union Difference

Credit unions are member-owned, not-for-profit financial cooperatives. Unlike other financial institutions, credit unions exist to benefit their members. We return excess earnings to our members in a variety of ways: by offering better rates, charging fewer fees, and introducing new products and services.

## Become a Member Today

Joining Columbus Metro is a smart financial decision. To join, simply visit one of our offices and open a primary share account with \$5, which represents your share in the ownership of the credit union. Then, you can take advantage of all of the products and services we offer. Once you're a member, you're a member for life. And we hope you'll recommend us to your immediate family, because they're eligible to join, too.

## Savings & Investments

Saving for your future is more important than ever. We can help you make the most of your savings with:

- Share Savings Accounts
- Christmas & Vacation Club Accounts
- Money Market Accounts
- Share Certificates
- Individual Retirement Accounts

It's easy to establish a regular savings plan with automatic transfers to your savings accounts. And all of our accounts offer competitive dividend rates and up to \$500,000 in combined federal and private deposit insurance.

## Loans

Get the credit you deserve. Our loans offer low rates, flexible terms and convenient payment options, no matter what you're borrowing for. We offer:

- New & Used Vehicle Loans
- Boat, Motorcycle & RV Loans
- Mortgage & Home Equity Loans
- Personal Loans & Lines of Credit

## Credit Cards

Any credit card should be convenient, reliable and secure. But you deserve more. Our Visa Platinum cards offer all the features you expect like online account access, Zero Liability protection and more. Thanks to our robust rewards program, you'll earn one point for every dollar you spend with no caps. You can redeem those points at any time for merchandise, travel, gift cards, statement credits and more.

## Checking Accounts

We know one size doesn't fit all, so we have three checking accounts for you to choose from. Whether you're looking for free checking or want to earn dividends, we have an account for you. Every checking account offers a free debit card, free online banking and bill pay, free overdraft transfers from savings and more.

## Debit MasterCard®

Whether you need quick access to cash or a faster way to pay, a Columbus Metro Debit MasterCard® is just what you need. It gives you access to ATMs across the country and around the world. A debit card also gives you convenience at the checkout when you have a Metro checking account.

## Direct Deposit

There's no more waiting in line to cash your check, and no need to worry about ID theft or mail fraud. Your funds are deposited in your Columbus Metro account on or before the payment date. Once your funds are deposited, we can automatically transfer funds to make your loan payments or contribute to your Christmas or Vacation Club, IRA or other savings accounts.
